

Information Note

March 2 2011

Senior Debt and Subordinated Debt Issuance by Irish Credit Institutions

The Central Bank today (Wednesday, March 2 2011) publishes the amount of senior and subordinated bond debt issued by the six Irish credit institutions Allied Irish Bank (AIB), Bank of Ireland (BOI), EBS Building Society (EBS), Irish Life and Permanent (ILP) and Anglo Irish Bank (Anglo) and Irish Nationwide Building Society (INBS).

This information is being published today in the interests of providing public information on the level of senior and subordinated debt issuance currently in issue by the six Irish credit institutions and held by third parties. This supervisory information has been prepared on a once off basis and disclosed with the consent of those institutions and does not form part of any Central Bank of Ireland statistical series. This information is correct as at 18 February 2011.

€m	Senior Bonds Guaranteed	Senior Bonds Unguaranteed Secured	Senior Bonds Unguaranteed Unsecured	Subordinated Bonds
